All our leathers comply with the strict regulations and EU Directives covering the use and presence of PCP, CFC, Chromo (VI) and Azo dyestuffs during the tanning process. Due to the natural properties of leather colour variations between hides & one dye lot and another may occur.

The General Conditions of Ropelli B.V. (which are registered at Chamber of Commerce NL reg. nr. 64778010) apply on all our conventions. In particular (article 7), Client is responsible for having established whether the products meet the requirements arising from the intended use by Client. The values in this technical sheet are not a warranty in legal sense.
