

Mammut

Mammut

Combineert duurzaamheid met comfort. Afgedekt en geprent leder met een gelijkmatige medium fijne structuur. De mat/glans finish heeft een warme 'touch'. Dit leder is gebruiksvriendelijk.

Pigmented and embossed leather with a medium fine embossing. It has a strong protective silky matt finish and a soft touch. Thanks to embossing a uniform structure. This leather is user-friendly.

This leather comply with the strict regulations and EU Directives covering the use and presence of PCP, CFC, Chromo (VI) and zo dyestuffs during the tanning process. REACH CE1907/2006. Due to the natural properties of leather colour variations between hides & one dye lot and another may occur.

The General Conditions of Ropelli B.V. (which are registred at Chamber of Commerce NL reg. nr. 64778010) apply on all our conventions. The values in this technical sheet are not a warranty in legal sense.

Real Leather, Real Sustainability!

Echt leder is duurzaam. Via een verantwoord productieproces, dat voldoet aan hoge milieueisen, vind een 'upcycle' plaats, van restproduct uit de vleesindustrie naar een prachtig kwaliteitsleder. Echt leder levert een bijdrage aan een circulaire economie.

Genuine leather is sustainable. Through a responsible production process, according to strict requirements, we upcycle waste from the meat industry into a luxury product. Genuine leather contributes to a circular economy.

Certificeringen op gebied van milieu en veiligheid!

Dit leder wordt geproduceerd in een looierij met gecertificeerd management systeem;
